

## Brittany Glen Subdivision

### Project:

Subdivision Design in  
Mississauga, Ontario

### Client:

Delta Urban Inc.

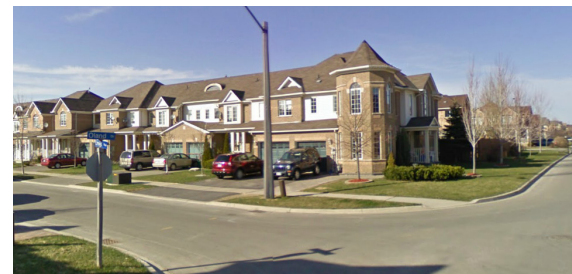

### The Opportunity:

Provide Secondary Plan  
input and policy advice,  
preliminary land use  
concepts, and subdivision  
design.

### MSH Genuine Results

MSH was engaged to provide secondary plan input and policy advice, preliminary land use concepts, and detailed subdivision design for this large holding in Mississauga's last "greenfield" planning district.

Located in the Churchill Meadows community, this 100ha development includes a "grid" network of local streets featuring 1,640 residential units in a wide variety of types, local commercial uses, a linked open space/park system, and a campus of educational and community facilities.
