

## Bronte Woods Subdivision

### Project:

Subdivision Design in  
Burlington, Ontario

### Client:

Metrontario Group

### The Opportunity:

Provide policy advice,  
preliminary land use  
concepts, and subdivision  
design.

### MSH Genuine Results

Part of the Orchard Community in Burlington, this 48.5 hectare plan intends to create a private enclave of crescents and cul de sacs. The plan features predominantly single detached homes in a wide range of frontages, looped streets with landscaped median entries and a connected open space system consisting of numerous parks and natural areas, linking this plan into the wider community.
