

BRITTANY GLEN SUBDIVISION

City of Mississauga, Ontario

Macaulay Shiomi Howson Ltd. was engaged to provide secondary plan input and policy advice, preliminary land use concepts, and detailed subdivision design for this large holding in Mississauga's last "greenfield" planning district.

Located in the prestigious Churchill Meadows community, this 100ha development includes 1,640 residential units in a wide variety of types, contains local commercial uses, and features a linked open space/park system along with a campus of educational and community facilities.
